A Message from the President

Dear Friends,

I have been heartened by the increasing level of support and the encouragement offered by you and other alumni and friends who are supporting the mission of our university through out the Academy of International Business Studies.

The Academy is flourishing. We have about 30 German MBA students on campus. We also have several undergraduate students from Germany who enroll at Misenheimer campus each semester, and many of them decide to enroll as MBA students following their BS degree.

Without your vital assistance, many deserving young men and women would not be able to attend the Academy. By supporting Pfeiffer, you are making possible the development of our students who, like yourself when you decided to enroll at Pfeiffer, utilize the Academy to reach their fullest potential. Your investment in their dreams is immeasurable.

Joining you in service,

Charles M. Ambrose
President

Your gift to the German Academy

Making your gift to the Academy at one of the levels below qualifies you for membership in the corresponding Pfeiffer University gift club and helps to ensure Pfeiffer's ability to provide students with a distinctive educational experience.
